EXT. THE MOVIE THEATER - NIGHT

The movie audience is spreading it's own way. Some people smoke cigarettes and discuss the movie they've seen. Some are heading straight home. We stop at the old person, who looks wise and a young boy (which clearly seems not old mans son), who looks curious. They are standing and looking at the film poster they just have seen. The movie is "Star Wars". Young person notices a old person near him and attracts his attention.

YOUNG PERSON

That was a great movie... but I don't understand one thing.

OLD PERSON

(softly)

What's that?

YOUNG PERSON

I don't understand how anyone can be seduced by the dark side.

Old person thinks for a minute, looks happy with the question

OLD PERSON

(removing his glasses)

What computer do you use at home?

YOUNG PERSON

(immediate, eagerly respond)

A Macintosh!

OLD PERSON

And what computer does your father use at work?

The young person thinks for a while and then smiles in amazement.

YOUNG PERSON

(exclaims loudly)

Seduced by the dark side!!!

The older person smiles knowingly at the young person. The young person is happy, because of understanding and learning an important lesson. They begin walking slowly and we follow them until they disappear on the corner.

FADE OUT.
